

Procedure for Opponent No Show/Forfeit

- Automatic 5 points won by team present
- Remaining 2 points must be earned by playing Total from Handicap Chart
- A tie with the number in Score to Beat column results in 1/2 point, beating the number in Score to Beat column results in 1 point (per player)
- 7 points can be won by the present team if each player beats the number in Score to Beat column.
- If 1 member of the opposing team shows up, each player gets a point for showing up, the team with 2 players get 2 automatic points, 2 players play head to head for 2, and 1 player plays against Score to Beat column from Handicap Chart. (Total does not count from Chart for team Total)
